Conference Call Meetings

The board and committees meet one to several times a year by conference call. Members receive notice of scheduled conference calls by e-mail. [Please note your time zone and the time difference].

Doodle.com may be used to help find times that are convenient for the majority of the group.

Conference call courtesy includes the following:
1. E-mail the chair if you cannot attend promptly so that the meeting can commence without waiting.
2. Call from a quiet location on a telephone without static. Background noises transmit well.
3. Identify yourself at sign-on as directed and during discussions again as needed. Voices cannot always be distinguished.

To Initiate a Call

A. Schedule the call
   1. Contact Kim Rose at the NASPGHAN office to inquire whether your possible committee conference call times have been reserved by other groups. krose@naspghan.org or 215-641-9800
   2. Notify your committee of the scheduled conference call meeting, noting the time zone. Provide instructions on how to participate in the call.

B. The conference call
   1. Each member is to call 1-888-858-6021 and enter conference code: 8501007259
   2. Your or your designate, (the host of the call) dials the same number and enters passcode 3074 #. This commences the call.

C. Confirm the call for billing
   After the call, e-mail Kim Rose at krose@naspghan.org and the APGNN treasurer with the dates, times, (and approximate attendance) of your calls, so NASPGHAN can bill us and our treasurer expects the bill.
